- 3. To consider planning application 3PL/2023/0533/HOU. 24 Ashley Road Beetley. Retrospective Planning Permission for the installation of French Doors to the first floor of the rear elevation.** The Chair welcomed all to the meeting and took the meeting "Out of committee" to allow the members of the Public to speak. One Parishioner read out objections to the application, the Chair thanked her. Another member of the public stated that the objections she had raised at the July Parish Council meeting remained the same and that this further amendment was not acceptable and that she had placed a further objection onto the Breckland Council Planning Portal. The Chair thanked her for her comments. The Chair put the meeting "back into Committee ". All Councillors discussed this application and felt that the application was not acceptable. It was an invasion into the garden privacy of adjacent neighbours and the door which had replaced the window to be used as a fire escape door was not justifiable. It was also queried as to if Building Regulations had been applied for. Councillor Billings proposed and Councillor MacArthur seconded that this application is strongly objected to. The Chair agreed.
